

School Uniforms

2021-2022

Land's End Uniforms Are Now Available For Elementary Students

Welcome to the Woods Private School! All students are required to wear uniforms Monday through Thursday in Kindergarten through Fifth Grade. Students may wear regular school attire on Friday (free dress day).

Uniforms provide an atmosphere of uniformity, pride, and equality among the students. Uniforms minimize distraction issues and create a sense of unity among students so they may perform better academically; they are also beneficial to your family for flexibility, convenience, and affordability.

In addition to Mills Uniform Company, we are also offering Land's End clothing line to your selection this year. Their polo shirts are light-weight to better keep our students cool during Houston's hot summer months. Your child may wear any rubber-soled shoes to school each day.

Uniforms may be purchased online from Land's End or online/appointment only from Mills Uniform Company
