I understand that Archery uses a bow and arrows and can be a dangerous sport if a child is not using equipment as instructed. There are very strict guidelines and procedures when practicing archery. Your child must follow these procedures at all times or risk being dismissed from the class. Safety is of utmost importance and therefore inappropriate behavior will not be tolerated. I release KoKo Ma and all the coaches at Archery at Home L.L.C. from any liability and accept full responsibility for the care of any injuries incurred during the archery class.
